A. McGREGOR, Editor,

THE London Times thus concludes ar German Tonic, article on Grant's packing of the United States Supreme Court : The decision of the Supreme Court thu

act was passed, in the heat of the war, immediate advantage was taken of its provisions by all the States except Massachusetts and Rhode Island. The Legislature of New York hastened to pay off in paper the creditors of the State, although many Hoofland's Greek Oil, wealthy merchants of the city offered to HODFLAND'S GERMAN BITTERS Court last year declared the act unconsti-tutional in its retrospective bearing, the he worthless or itert portions of the ingredients extracted in that country by a scientific Chr. this must now be reversed; and the latter and forwarded to the manufactory in this and will probably be worse than the first. National honor and justice have received free from the objections preed against all others by the victory of Sadowa, but the phrase thus misapplied to describe a miserable jealousy at the development of a neighbor may be rightly employed to represent the shame and sorrow that must fill the minds Hoofland's German Tonic

of patriotic Americans when they see their ghest tribunal—the court which on the admiration and respect of the world—brought down so low as to pervert judgment and throw a gloss of legality over private and public dishonesty. ers, Each bottle of the Tonic contains one bo tie of the Bitters, combined with pure Saxra Cara "Ir will be cheering," says, the Mobile Register, to know that General Sherman without a guard, has been able to travel through the South with as much safety as was experienced by Sergeant Bates, \$1.50 per hottle, which many persons think to a United States flag in his hand, from

says that the only obstacles he encountered were from carpet-baggers, and negroes has been discovered. Take that which we instigated by them, their object being to can not avoid, that which has been forced upon us, that which has been brought about against our prophecies and against the blame on the Southern people. To effect this object he was measured with threats of personal violence, and was sought to be brised to give up his trip.—

He alleges that in North Carolina he was offered \$10,000 to quit, and he ascribes the offer to Governor Holden.

has recently decided that a law of the State which undertook to secure witnesses against certain prosecutions founded on not be compelled to give an answer cuiminating himself unless he was absolutely tment, compel a person to testify before

one of its committees, without fully securing him from all liability to prosecution malady had almost subsided, and those Dr. Hooffand's Greek Oil.

slowly returning to the city. About the precursor of victory. Never before but day two or three times, but I am good13th, it burst forth, and the daily deaths once, at least, in times of great trial, has a natured to-night, and I believe every body are reported to be seven hundred. Twentyfive thousand persons had already suc-cambed. All communication between the clip and the enter world has been cut off and all hone banished of abating its fearful effects. It seems that this once heau-tiful city of the Argentine Rapublic is doomed to oblivion. The suffering of the inhabitants is beyond the conception of inhabitants is beyond the conception of the most imaginative. Frost is the only thing that can stay the melady, and as Indiana line; on every hill-top; and in little if any frost appears at Buenos Ayres, every valley; and along every stream; it is feared the whole city will become bus, Cramps and Pains in the Stomach, Fever and blank waste, with all its wealth and

the State of Texas to the Pacific Ocean;" body of water as one of its boundaries. The onnet Powerful, yet Innocent Vegetable Cathartic acres, a territory almost equal to the States of New Hampshire, Vermont, Mas-Pilts to produce the desired effect; two of their combined. To balance this intolerable quaking in fear for the result. It had been said that the Democracy were going over to the Republican party. If that was ap, then there was no occasion for a given the lucky corporators. Governor, Davis on the 24th ult, vetoed the whole ore Powerful, Acting, and Searching, than the affair, very neatly putting the little game Mandrake itself. Its peculiar action is upon the of the company thus: "They propose that Lavar, cleaning it speedily from all obstructions the State shall build the road, but themwhich all the power of Mercury, yet free from the selves shall own it." which is the doctrine citts affached to the use of that min- of State aid in a nut shell.

> REPUBLICAN RULE. The way Republicans rule Florida may be gathered from the fact that the Live Oak Hevald, a Radical official journal, has State and county taxes in Columbia and Hamilton counties. The land advertised to be sold in Columbia amounts in the aggregate to seventy-five thousand seven hundred acres. In Hamilton County there are four thousand seven hundred and forty-two seres advertised to be sold for

Holitical.

STATE CONVENTION ADDENDA.

the Satisfication Secting at Columbus Speeches of Mesars. Vallandighats, Pendleton and Sayler. In our report of the Democratic State applause.] Convention in last week's paper, brief mention was made of the ratification meeting held at Wagner's Hall after the adreported is an immense misjortune to the journment of the Convention. We sub-American Union. When the legal tender join the speeches in full delivered upon the occasion by Hons, Clement L. Vallandigham, George H. Pendleton, and Milton

ME. VALLANDIGHAM'S SPEECH. In the valley of vision were many bones wealthy merchants of the city offered to lend the State, without interest, the balance between paper and gold, in order that faith might be kept with the public shaking among the dry bones, and breath bones live?" And we sharing among the dry bones, and bream creditor. When, however, the Supreme came into them, and they lived and stood upon their feets an exceeding great army tutional in its retrospective bearing, the Legislature of New York adopted a resource. And he said, "Watchman the State debt prinlution affirming that the State debt, principal and interest, ought to be paid in specie; and authorizing the purchase of morning cometh, and the night also—the fold for that purpose The Legislature of might, the dark might of death to the time might, the dark might of death to the time purpose the judgment of the Court was thus seen called the court was the court w Mains adopted a similar resolution, and the judgment of the Court was thus seen to elsewing but now broken dusts of Radiocalism, (cheers.) and morning glorious, back a response from the whole this must now be reversed; and the latter morning to the once disheartened, but now you will hear the approval of statements of this day's work. vallying and heroic hosts of the Democracy. I am here not as the Messiah, but an apostle, and the least of the apostles; not terrible blow. The course of tank to see percented. The guarantees of indicated right are set aside. Much has been storation [cheers], the restoration to old Democratic doctrines and principles and to Democratic victory. (Renewed cheers). To-day we have achieved a glorious triumph. To-day we have sent forth tid-ings of great joy all over the land. The Democratic party stands now upon the great vantage ground of the present, and offers battle to its enemies, hand to hand and shoulder to shoulder, marches forth and meets them in this struggle upon the living issues of the present hour (cheers).

and upon these issues we will triumph, feel it. Throughout the whole length of the State of Ohio will come a response, and not from Ohio only, but from other and not from Ohio only, states, from one end of the nation to the ther, joy and rejoicing, to-morrew, ring lakes to the Gulf of Mexico, that at last pleasant to the paints, and containing the medici-nal virtues of the Bitters. The price of the Tonic and the recipient of as perfect politeness the Democratic party is ready to grapple and the recipient of as perfect politeness with its foes, and ready to crush them, as in former times it did, and that once more there is hope that this old battle-worn a United States flag in his hand, from Republic of ours, bearing, it may be, the Vicksburg to Washington." Sergeant pears which it has received in the recent grand convulsion, will yet live, and live in the spirit in which the fathers framed The plan of salvation, it seems to me

will and shall be guaranteed to every

tion, at the same time we shall have pretheir answers in examinations before leg-islative committees, was ineffectual to that the grand movement will be made in protect such witnesses from the liability 1872, and we are but skirmishers along the line new. But the first blood must be alien upon the other. Four years more of the Administration party-I call it not the Republican party previous to the war, war—but the Administration-Grant party, will accomplish the prediction of a distinguished Schator now from the State of Missouri, that Grant, the impersonation Court, all the judges holding that the legislature could not, by any formal en. zontal, in a mahogany box, and never be carried from it again. (Cheers.) It is against that we struggle, and if there be have been against us for years; patriots, the work this day so well begun. as patriots, have been arrayed against us we succeed or whether we do not be the work this day so well begun. In Buenos Ayres the yellow fever has broken out with renewed vigor and great-

er fatality. About the first of May the ment, and, as to-day was said, the "tide ultimately attain successful." flood, will lead on to fortune." I say to you that this Convention is the convention assembled and continuously remain. Wearied they may be, fatigued they may be, but that indomitable old Democracy from the lake to the Ohio River; from the Pennsylvania line to the upon every highway; upon ever along every turnpike, you will find in hosts of the Democracy marching forward

from this hour to victory. [Applause, Let the enemy know that we mean to beat them, that is our business here to-day, and we are going to do it.

Dissatisfaction may exist—disappointment I should say—at nominations. I dates for one office, somebody must be defeated. But if he is a man-I won't say the learned body, that the State has that a philosopher-if he is a Democrat, he The amount of land granted is 22,016,000 until the next time and take the chances. Cavaignac. The whole way to Sevres the The Republican leaders had already taken the alarm and sounded the note of warning. They appreciate the significance of this new movement, and are already were first in the field, and had publishward the most admirable candidates. There a young officer entered the cafe to refree was not a man from one end of the ticket to the other that the Radical party might not be proud of. They have no such men in their ranks. Now, if the Democrata have gone over to the Republican ranks, all the Republicans have to do is to ac-cept the ticket already nominated, and not use time and strength in a convention.

Mr. Vallandigham closed as follows: That grand system of government un-der which it is my firm belief that we can unite the whole continent of North Amer-ica, yea, and the whole world, may be united; that system which was organized in Philadelphia in 1788 and 1789, in its original conception and its original practice, sufficient for the entire globe; and now that we have railroads and telegraphs, means of communication that did not exist in original times, that system of gov take up columns. It is a negro State with it, it can only die with it.

born to-day, who may live three-score years and ten, if by reason o republican principles overspreading the whole of this mighty continent, and that flag of ours, which we Democrats love and worship, see it fleating in every and triumphant upon every sea.

MR. PENDLETON'S SPRECE Mr. Pendleton was then called out, was received with applause. He said that fter having presided over the convention or so many hours, and been obliged in the much, he was sure they would appreciate that he had but little strength or spirit to

speak further. He then said:
I fully concur with what Mr. Vallandi
ham has said in reference to the proceedings of to-day. (Cheers.) I fully conc Democratic party has been recently awal ened, and that the unfinehing course oesa, will this year be exhibited in such ons victory. The proceedings of your Convention have been marked with harmony and with wisdom, not only in the adoption of the platform, but in the nomistituents of this day's work (Appla And I am sure that those constituents, young and old, not only those who are good for council, as he has told you, but carrying it forward in October to a grea

As he said: "Well, the omens of victory are with us in the spirit of this Conven all that is disagreeable has been driver from our hearts, and all that is agreeabl And if that result shall be attained, and the Democratic party in October that the destinies of the country are con

ed in response to a call, and after the us and true young Democrat, am happy of

Hon. Milton. Sayler, or Cincinnati, wa then called for most vociferously. He modestly endeavored to secrete himself, but was hunted out and brought forward.

test that we struggle, and if there be home, to go among our constituents, and est men, as there are honest men who do this fall what we can to carry forward in the affairs of men, which, taken at the mately lose all hope of republican govern

Convention was taken with a spell of leavmen present bursting with speeches they were left to the alternative of making them

himself with a glass of beer. He in conmand of a convoy of prisoners going Satory, and said he had ridded his country tique, one from weakness, and two war sulky and sat on a bank. He ordered party was quickly told off, and the four he had gone all fell to praising him.
